Rochester's Own Music Man

William Thompson is Always Ready to Face the Music

Rochester resident William Thompson sits back on his living room sofa and relishes the nuances and subtle chord progressions emanating from his stereo system. He walks a fine line between teacher and student, but ends up playing the part of an appreciative fan.

"That's really nice right there," he smiles. "This is the first time I'm hearing this."

What Mr. Thompson is listening to is the new debut compact disc from a jazz trio known as Lifeline out of Somerville, MA. The soon-to-be-released recording, titled "Ace," features the talents of Mr. Thompson on alto sax and flute.

"(Lifeline) has been around for some time, but this is their first CD," Mr. Thompson said. "I've known the guys in the group for awhile ... and I was honored when they asked me to play on the album."

As modest as he might sound, Mr. Thompson is no stranger to recording sessions or rubbing elbows with big name acts. A self-proclaimed "musician for hire" and teacher at the distinguished Berklee College of Music in Boston, he has played with the likes of Aretha Franklin, Dizzy Gillespie, Lou Rawls, and Gladys Knight.

"I've had the opportunity to play with a lot of famous people over the years," he said during a recent interview in his rural Rochester home. "And there are a lot of great local musicians I've played with, too. I've more or less gotten involved with session playing through the musician's union."

He proudly gives a special nod to his friend, John Pandolfi, a fellow musician and owner of the Symphony Music Shop, who has encouraged him to offer private tutoring to area students in classical music; and also praised his friend and fellow jazz musician, the late Bobby Greene of New Bedford, with whom he often played.

"Bobby was a great guy and a talented musician," he said. "(His death) was a great loss for this area."

Mr. Thompson began teaching at Berklee in 1976, right after he graduated from the prestigious school. Although his instruments of choice are the saxophone, clarinet and flute, he has dabbled with virtually every other instrument, and is not shy about admitting his appreciation for all styles of music — especially those with a positive message.

"I like anything original or new that has real substance," he said. "I especially like (music) that has

4th of July Vacation

The office of *The Wanderer* will be closed for vacation from July 3-3 so that our staff may enjoy the July fourth holiday. There will be no issue on July 7th, the next regular issue will be on July 14.

Notice of Advertising Rate Increase

As of July 1, 1995 *The Wanderer* will be increasing advertising rates by 20%. This increase is to facilitate a 50% increase in circulation (from 4000/week to 6000/week). We will also be doubling the weekly bulk mailings in Mattapoisett, Marion, and Rochester rural routes. We have made the decision to increase circulation and mailings due to the constant demand for additional copies. We feel that the increased exposure will more than outweigh the cost. a real positiveness to it. I don't mind exploring any (musical style) as long as it's quality."

Among his many influences over the years, Mr. Thompson cites a particular fondness for jazz greats like Charlie Parker, John Coltrane, Miles Davis, and Dizzy Gillespie, along with the big band sounds of Duke Ellington, Count Basie, and Benny Goodman. He's more recently begun to experiment with Dixieland band music, and has been playing with a small three-man group which will tour the Caribbean in the summer.

Of course, it's also nice when the tables are turned, and one of his students cites him as an influence of their own. "Although I never had him in class, Branford Marsalis (formerly of *The Tonight Show)* has said I was one of his influences," Mr. Thompson said rather matter-of-factly. "He also graduated from Berklee ... and is very good friends with my son who lives in Los Angeles."

Having moved to Rochester nearly a decade ago, Mr. Thompson enjoys his rural hometown setting and likes to participate in community programs whenever possible. So it's no surprise that he'll be joining forces with fellow Berklee faculty member and Marion resident Wendy Rolfe for an innovative workshop celebrating musical improvisation at Marion's historic Music Hall next month.

"Flute and the Art of Improvisation" will be held at the Music Hall during the week of July 12 through July 15. The event will be sponsored by the Odyssey Chamber Players and the Boston Jazz Flute Ensemble, in collaboration with the Greater Boston Flute Association and the Marion Cultural Council.

The workshop will attract a full range of

With this and so many other pending projects on his plate — which also include a studio recording session for the 1995 Emmy Awards and performances with the Frank Shoshan Big Band — it seems like there's no stopping William Thompson.

"I love what I'm doing and I really enjoy teaching right now," he said with a smile. "Since I'm now in my nineteenth year, I suppose I should start thinking about retiring ... but I'm not ready yet."

Under incoming correspondence for the week, the board cited a Public Notice from Natural Resource Officer Brian Nunes regarding a case of rabies in Mattapoisett. According to Mr. Nunes' notice, a confirmed case of rabies was found in a raccoon that was sent to the state laboratory. The animal was found in the Brandt Island Road area of town.

Mr. Nunes has suggested the following precautions in light of this discovery:

- Report any abnormal behavior of animals to local authorities.
- Avoid contact with any strange animals.
- Vaccinate all pets.
- Do not allow pets to roam at large or unsupervised especially during the night time hours.

The board next received a notice of the next Mattapoisett School Building Needs Committee meeting, which has been rescheduled for Thursday, July 6 at 7:30 pm in the Selectmen's Office.

Two residents next submitted a suggestion to the board that they consider appropriating $100 a year to purchase two annual Megabucks lottery tickets — one for the Wednesday drawing, the other for the Saturday drawing. Both tickets should be in the name of

the "Town of Mattapoisett," and any monies accrued would be used to reduce the town's tax rate in the subsequent fiscal year.

Selectman Mahoney dismissed the proposal, noting that town officials do not have the authority to purchase lottery tickets on the town's behalf. "Is this a serious request?" he asked. "I don't think we should be in the business of purchasing lottery tickets ... although it might be profitable."

At 7:30 pm the board met with resident David Crowley and Harbormaster Steve Mach regarding a complaint Mr. Crowley had concerning the town wharf. Mr. Crowley began by explaining that as a commercial fisherman, he put his name on a waiting list in April of 1989 for a mooring space in Mattapoisett Harbor. He works out of the town wharf everyday, and needed to be able to moor his boat close to home.

His name came up last year, but due to a clerical error, he was bypassed for a mooring spot. This year, he was granted the overdue space after talking to Harbormaster Steve Mach, but he still feels he has been treated unfairly.

"My mooring is far out in the harbor," Mr. Crowley said. "I know that people have landed various (mooring locations) in the inner harbor ... I have a 24-foot boat and there are plenty of spaces closer to the town wharf."

Mr. Mach explained that he tried to accommodate Mr. Crowley as best he could. He made an appointment to meet him on June 10 between 8:00 am and 12:00 noon. When Mr. Crowley did not show up until 2:00 pm, there wasn't enough time to take him out and locate a mooring space. "I told him we would give him the first available mooring space in the harbor ... but he had to wait until after Memorial Day so we could see how many boats were being put in," Mr. Mach said. "Last week, I was given a list of mooring fees which were past due, and Mr. Crowley's name was on it for another mooring he has in Aucoot Cove."

But Mr. Crowley argued that as a commercial fisherman, this is his livelihood, and he feels like he's not getting any cooperation from town officials. "There are many commercial fishermen in

(Mattapoisett)," he said. "We use the town dock year-round ... and I feel there should be better facilities for us to use. It will be sad if someone who lives here is forced to go to New Bedford to make a living."

"We have about 1,000 moorings and boats in town," Mr. Mach said. "We have maybe eight commercial fishermen ... so they're a very small percentage. There's nothing in the rules saying a commercial fisherman should get special consideration. I'm just going by the rules."

The Board of Selectmen agreed to take the matter under advisement and Mr. Mach again offered to meet with Mr. Crowley to locate a satisfactory mooring location for his vessel.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:08 pm to enjoy a slice of chocolate cake with departing *Wanderer* reporter Kenneth J. Souza.

Souza, News Editor for *The Wanderer*, for his accurate and informative coverage on the meetings. Executive Secretary Pickles praised Mr. Souza, who is retiring his reporter's notebook to run a tobacco store in Fall River, for his fairness.

At 7:05 pm Chief Brian J. Scott came with Sgt. Lincoln Miller about the computer grant the police department has received from the state. The grant is for $15,000 with $5,000 coming from the town. Chief Scott praised Sgt. Miller for the work he has put into receiving this grant. "He has done an outstanding job," he said. The computers will allow for faster fingerprint identification and an exchange of information between agencies. According to Chief Scott, this grant will allow the police department to be "completely computerized."

since the two present ones are very rundown and cost more in maintenance than they're worth. He believes that the cost of a new car will fit into the department's budget.

Marion School Committee members Susan Grosart and Diane Bondi-Pickles appeared before the board at 7:15 pm to discuss hiring a consultant to look into the installation of cable for the use of I-NET and make other technological advances. "We need it to be flexible so it can be used in different ways for many years," said Ms. Grosart.

They suggested meeting with John Anderson of Continental Cablevision to set up a free three month trial. Equipment would be installed in two sites so it could be experimented with to find out its capabilities. An option after this free trial would be leasing so the equipment would not go out of date too quickly and the service would be included. The board agreed that hiring a consultant could very probably save money in the long run. They recommended going ahead with the free three month trial.

The Board of Fire Engineers came to discuss the new East Marion Fire Station. Site work is being done and they feel that the exterior can be finished by November; a truck will move in as soon as the heating is installed.

Olive Harris submitted a letter and talked with the board about the Sprague's Cove Remediation Project next to the beach. She has "huge concerns" about the scarce fencing around the new lagoons. There is a split-rail fence on one side; this is obviously not an effective fence to keep children out of danger. The lagoons are, alternately, two- and five-feet deep. If anyone fell in, there is "nothing to grab hold of." She also remarked about the presence of a "very appealing"

island which is an inviting place of exploration for children. Selectman Schaefer explained, "We have not got the money to finance an immediate solution for this particular problem." The board plans to look into more fencing options.

Other correspondence for the week included:

• An application from Betsy R. Parks for the Marine Resources Commission. Her name has been added to a list of five applicants.

• A request for the use of Silvershell Beach for the picnic of the First Baptist Church of Halifax. The request was denied because no Marion residents were mentioned as members and it was planned for day in the height of the season.

• A report on the coliform levels at Silvershell Beach and Planting Island which declared them both to be below minimum contamination levels.

• A letter from the Marion Conservation Commission declaring the site for the new firehouse is not subject to protection under the Massachusetts Wetlands Protection Act.

• A notice of the next Habitat for Humanity follow-up meeting on July 12 at 7:00 pm.

• Correspondence from the Massachusetts Highway Department about new funding; some of which may be used on Point Road.

Under other business, Executive Secretary Pickles discussed the engineering bids for Stoney Run Lane. The board agreed to award the bid to East Coast Engineering of Marion, who, in their opinion, was the lowest responsible bidder.

The board remarked on the opening on the Conservation Commission which will be cut off July 11. Six companies are bidding for the paving of Point Road. The repairs of the basketball courts by Silvershell Beach have been finished except the repainting of the lines.

With no other matters to come before the board, the meeting was adjourned at 8:10 pm. The next meeting will be held on July 11.

Rochester Selectmen's Meeting

June 26, 1995

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, June 26 at 7:00 pm by Chairman Michael Murphy. Also present were Selectman David L. Hughes and Administrative Secretary Shirley A. Ferreira. Selectman Lorraine Roy Hawkes was not present for the meeting.

After approving the minutes of the June 19 meeting via majority vote, Chairman Murphy began a review of incoming correspondence for the week, beginning with a letter notifying the board of an owner's intention to sell a parcel of land to which the town has classified as Forest Land under Chapter 61 of

Massachusetts' General Laws. As such, the town has the first option to purchase the property — a 5.27 acre lot with frontage on Stevens Road and designated as Map 13, Lot 15 on the Assessors' Map.

Selectman Hughes noted that the town is not interested in purchasing this parcel, and asked that a memo be sent to the Board of Assessors regarding this matter.

The board next received a memo from Highway Surveyor Jeff Eldridge notifying them that due to the July 4 holiday, the recycling route pickup normally scheduled for Tuesday will take place on Wednesday, July 5. Residents are advised to make note of this change.

The board then signed and approved a READS Invoice in the amount of $2,030.03 via majority vote; and also approved a Chapter 90 project request from Highway Surveyor Jeff Eldridge to pulverize and regrade a portion of High Street. The board also approved payment of a legal invoice from Kopelman and Paige, P.C. in the amount of $786.37 for services rendered.

Under Old Business, Chairman Murphy moved to appoint Dispatcher Kathy O'Brien to full-time status upon a recommendation from Chief Dispatcher Susan Kucinski. Ms. Kucinski noted she had contacted candidate Hilda Leconte, and although she expressed interest in filling the full-time spot, she was still in the training process. The motion was seconded by Selectman Hughes and carried

via majority vote.

At 7:15 pm the board met with Police Chief Walter V. Denham, Town Accountant Claudette Coutu, and Town Treasurer Doris Boucher regarding billing invoices for third-party police detail work. Chairman Murphy explained that they were trying to come up with a more efficient way for the town to collect payment from vendors, while also coming up with a better record-keeping method for police detail assignments.

"We're going to be hiring a new person in Town Hall to do the billing for police detail work," Selectman Hughes said. "What we're thinking about is a three-part invoice ... one copy for the vendor, one copy for the (town) treasurer, and one copy for the (town) accountant."

Chief Denham suggested a fourth copy to be given to the officer. "Sometimes we have no way of knowing which officer will be taking a detail until that day," Chief Denham said. "I think a fourth copy should be given to the officer to keep on file."

Ms. Coutu also advised that even if the invoice is submitted, unless they receive a time slip, the officer cannot get paid for the detail. "I think that will put a little more responsibility on them to submit their time slips," Chief Denham said.

Selectman Hughes agreed this system should work better for all parties. "We're going to require payment within 30 days of the billing date," he said. "Otherwise, there will be no more (detail) work done in this town."

Chief Denham and the board agreed to come up with a form which will be printed up and used for all future detail assignments.

Chairman Murphy asked Chief Denham about the two candidates for the full-time position with the department. Chief Denham advised him that they are scheduled to meet with the board tomorrow evening (June 27). "I'd like to interview both candidates for the position," Chairman Murphy said. "Also, you did a background check on both of them?"

Chief Denham said a background check was

"Well, I checked with legal counsel ... and as the employers, the Selectmen are entitled to see that information," Chairman Murphy said. "You had them sign a release form to do the background check, right?"

"No," Chief Denham said. "We've never had a release form to fill out."

Chairman Murphy advised Chief Denham that a release form should be prepared and filled out whenever a background check is conducted. As such, the board will meet with the prospective candidates and will not review the background check results.

Chairman Murphy next asked Chief Denham if

the fax machine in the Police Department could be moved to the main trailer so that all officers can have access to it. Chief Denham vehemently said he didn't think that was necessary. "There's not an officer on the department who has had a problem with the fax machine (being) in my office," he said. "I'm in charge of all (department) equipment under state law ... I use that (machine) as a personal phone line and I'm always available during the day to receive information."

Chairman Murphy said there was a recent incident where Chief Denham was unavailable and a fax could not be retrieved containing important information for one of the officers.

"Well, the fax machine is staying in my office," Chief Denham responded.

"Are you telling the Board of Selectmen what to do with the equipment purchased for the town?" Chairman Murphy retorted. "We'll have to discuss this again later ... and I can guarantee you it will come up again."

Dog Officer Thomas Medeiros next came before the board to discuss a recent incident involving an unrestrained dog. Mr. Medeiros noted he had been called to a resident's home where a dog was causing trouble in the neighborhood. He found two dogs on the property in question — both owned by Ramon Rivera — and the

second one attacked him without provocation as he was trying to locate the other.

"The owner advised me that he had trained his dogs to attack anyone on his property," Mr. Medeiros said. "I don't think it's fair to myself and other town officials to risk going to this residence. I later found out that the dog which attacked me is the only one (of the two) which is licensed and registered. I think both dogs should be fenced in and restrained."

Selectman Hughes advised Mr. Medeiros that they needed to hold a hearing before making an official decision in the matter. He agreed to send a notice to Mr. Rivera and schedule a hearing with any interested neighbors on July 10 at 7:00 pm.

Mr. Medeiros also asked, in light of his recent attack, if he could either have a radio once used by former Tree Warden Donald Jenkins or a portable unit so he can be in direct contact with the Communications Center. The board agreed to check into a radio unit for him.

A resident also came in to complain about a dog owned by Mr. Estabrook on Walnut Plain Road. The dog has not attacked anyone, but it has been turning over trash barrels and has been found on others' property. "The dog isn't really dangerous ... he's just a nuisance," Selectman Hughes added. "He's running loose and is knocking over trash everywhere."

Another hearing was scheduled for July 10 to consider this second dog matter. A memo will be sent to Mr. Estabrook.

The board then voted to send a letter to the Mattapoisett Board of Selectmen and the Herring Inspectors from Marion and Mattapoisett advising that they would like to keep the limit of 50 bushels per year in effect for the 1996 herring run. At a meeting in Mattapoisett last week, state officials recommended that the tri-town area could harvest as much as 25 percent of the total herring run and still be able to rebuild the fish population. But Rochester Herring Inspector David Watling feels if they kept the limit where it is and only allow fishing on Saturday, they could replenish the population even quicker. The Selectmen agreed via majority vote.

"Let's keep the rules we've had in place," Selectman Hughes said. "And let's continue to see if the (herring population) increases."

There being no further matters to come before the board, they voted to adjourn for the evening at 8:12 pm.

A Fond Farewell

Three Towns ... Three Years

By Kenneth J. Souza

It was three years ago — almost to the date — that my UMass Dartmouth (actually SMU) classmate, Paul Lopes, embarked on a venture which has become *The Wanderer.* Having been employed part-time with *The Standard-Times* as a stringer, I expressed my interest in working with him as News Editor. I had already become acquainted with the so-called "tri-town" beat which encompassed the towns of Mattapoisett, Marion and Rochester, and was more than willing to make the coverage of weekly Board of Selectmen's meetings a regular habit.

I can still remember the first time I walked into the Mattapoisett Selectmen's office and how cordial and friendly the board members were. My previous assignments with *The Standard-Times* had consisted of the more condescending — and sometimes confrontational — antics of the Westport, Freetown, and Lakeville Selectmen. But then-chairman John N. DeCosta was willing to greet reporters with a smile, a firm handshake, and an offer of a complimentary cup of coffee before beginning the regular business meeting.

Since that first meeting, I've come to know and

love Mattapoisett and its many colorful faces. Also among those who have made my job enjoyable are Selectman Paul E. Lambalot, Selectman Daniel O. Mahoney, Town Clerk Lois K. Ennis, Executive Secretary Carol Adams, Secretary Melody Mills, Harbormaster Steve Mach, Officer Paul Magee, Fire Chief Ronald E. Scott, Police Chief James Moran, Historical Museum Curator Bette Roberts, and everyone else at Town Hall.

My first time covering a Rochester meeting was something of a curiosity ... although I soon learned to enjoy the camaraderie and cordiality of the residents who

seemed to know everyone else in town on a first-name basis. Tucked into a small corner of the Selectmen's office, I gained a lasting respect for former Selectman Harry A. Brown, who personified the type of dedicated public servant that only New England could produce. And I learned that people like Harry Brown were only too common in the picturesque rural setting of Rochester.

In addition to Mr. Brown, those in Rochester whom I'd like to thank for the last three years include Selectman Lorraine Roy Hawkes, Selectman David L. Hughes, Selectman Michael Murphy, former Selectman Joseph Covas, Town Clerk Naida Parker, Administrative Secretary Shirley Ferreira, Secretary Veronica Lafreniere, Police Chief Walter Denham (I'm faxing a copy of this to you, Walt), Fire Chief Scott Ashworth, Chief Dispatcher Susan Kucinski, Highway Surveyor Jeff Eldridge, Georgia Chamberlain, Caroline Lawrence, and the entire Town Hall staff.

And from the get-go, I found the people of Marion as down-to-earth and personable as their tri-town neighbors. People like former Selectman Edwin "Ted" Pratt, current Conservation Commission chairman Dennis Luttrell, and Housing Co-Op President Lee Craver all impressed me with their encyclopedic knowledge of local government and environmental issues. I would soon learn that in many ways Marion was on the cutting edge of

I'd also like to thank the following Marion residents for their help and support over the last three years: Selectman Loretta B. Schaefer, Selectman Albert E. And of course I can't omit the people with whom I've worked so closely over the past three years. A special thanks to my friend and boss Paul Lopes for giving me the rare opportunity to work at *The Wanderer* ... and all our staff members, past and present, including: Cal Perkins, Kay Nichols, Patricia Aleks, Cindy Haskell, Bethany Morgan, Brenda Gibbons, Dottie D'Attoma, and last but surely not least, Anne Stowall.

I'm sure I've left out some other key people, and my humblest apologies to them all. To be honest there have been so many people from the three towns who have been courteous and helpful that it would take several

As of July 1, I will be moving on to greener pastures ... well, actually *browner* ones. I've accepted a full-time position managing a pipe and tobacco store in my hometown of Fall River — which means I will be leaving my position as News Editor with *The Wanderer.*

Although it is with some trepidation that I depart, rest assured I'm not about to forget my time here at *The Wanderer,* nor the many friends and acquaintances I've made. And just as Sean Connery made a brief comeback as

James Bond in *Never Say Never Again*, there's always a chance I might return to the tri-town area someday. After all, my editor keeps telling me that I'm only going on an extended leave of absence and I'll be back.

In the meantime, keep striving to retain the character and sense of community values which make this area so unique. And though Mattapoisett may have dibs on the bumper sticker market, I think Rochester and Marion have equal claim to being called "special".

Letters to the Editor

To the Editor:

The family of the late Margaret McIntyre would like to thank the many people of Mattapoisett who have taken the time to offer their condolences since Margaret's death on May 31, 1995. I would like to say a special "thank you" to the children in my first grade class. You gave so much comfort during the last two weeks of school. Thank you for your gifts, cards, and my own copy of *Ship of Dreams*. Have a wonderful summer!

Sincerely,
Mrs. Kathleen Evans

After over two years of preparation, Rochester residents will have full access to the SEAL database and will reap the benefits of full membership in the network. Residents who have registered for a new library card may now pick them up at the library. Those patrons who haven't yet registered for new cards may do so anytime during regular library hours.

Library Newsletter

The Plumb Memorial Library is pleased to announce that its newsletter, "Read On..." won second prize in the newsletter division of the Massachusetts Library Association's 1995 PR Awards. Created, designed and edited by Dianne Wood, a Friend of the Plumb Library, it is a unique forum for library news, book reviews, literary history, and other bibliographic pursuits. The first and second issues were sent to all town residents. Additional copies of the newsletter are available at the library. The library wishes to thank Dianne for her tremendous effort in establishing such a worthy publication. The public is invited to submit items for

Mattapoisett Celebrates With Flowers

The spring pansies which greeted everyone from the window boxes at the Mattapoisett Post Office are resting in the homes of Garden Group members for another year. Beautiful pastel impatiens — flowers of summer — have been planted by this Mattapoisett Woman's Club group. Geraniums and petunias at the Library, donated by Pryce's Greenhouse, and patriotic red, white and blue flowers at the Town Hall, donated by Kenny's Farm Stand, await the summer festivities. The Route 6 Triangle Garden and planters at the Mattapoisett Nursing Home and Historical Society were planted in May. These gardens will be tended with tender, loving care by the ladies all throughout the summer.

Marion Fourth of July Parade

This year, as it has been the custom for many years, the Town of Marion has asked the members of the Benjamin D. Cushing Post 2425 Veterans of Foreign Wars (VFW) to organize the annual Fourth of July Parade. Last year's parade was a hit with the parade watchers ... and this year's parade can be even bigger and better with your help.

The parade will form at 8:00 am on Tuesday,

and July 20 - 22 at 8:00 pm. Director Paul Sardinha, who put together the idea, says: "This is the liveliest and most fun thing we've ever done!" The cast includes MAC veterans and some new talents as well.

Scott Simpkin is making his Art Center debut but is no stranger to the stage, having appeared in *The Phantom* and *La Cage Aux Folles* most recently. Sheryl Miller returns to the Art Center after a five-year absence, and fans will recall her unique contralto voice. Brett Outchunis, winner of the Marion Art Center Theater Scholarship, most recently performed in *The Fantasticks* and played Eugene in *Brighton Beach Memoirs.*

Sheila Furtado is an accomplished singer and actress and looks forward to returning to the stage at the MAC. Donna Ramos-Wirzburger is a member of the Star Players of Taunton, Inc. and has appeared in *Anything Goes,* among other productions. No show would be complete without Anne Schenck, a talented singer, musician and comedienne. She happily adds fun and pizazz to the show.

Of course, having Paul Sardinha on stage is another treat for the audience. Paul is a professional tenor and also does choreography and dances as well as directing and playing the piano. Corinne

The first running of the July 4 race was started with the pop of a firecracker and was guided by a lone Army truck. Last year's race included over 500 competitors, an accurately-measured five mile course, a complete list of all finishers, their place, and times, awards for many age groups and categories, and a sizable prize raffle. The 1995 race will include all of this and much more.

The July 4 Mattapoisett Road Race is ideal for both recreational and competitive runners. Some of the race's more notable past competitors include Olympian and former Boston Marathon winner Geoff Smith, Johnny "Mr. Boston Marathon" Kelly, and Liz Coughlin, the Olympic medalist in the 10,000-meter run. The registration fee for this race is $10, and in celebration of its 25th year all competitors from the first running will compete for free if they contact Charlie Prefontaine at Seaport Pharmacy on County Road in Mattapoisett.

Come join us in celebrating the twenty-fifth year of this scenic five-mile race along the water and around the Ned's Point Lighthouse in Mattapoisett. All proceeds from the race go towards scholarships for local high school runners.

The special exhibit for July at the Mattapoisett Historical Museum and Carriage House opens for the summer on July 5. The exhibit is titled "Dolls and Dollhouses," and will include some very unique items which you must come and see. They include a lobster shack, a general store, and some typical dollhouses. Also included are a variety of lovely and interesting dolls and doll furniture.

The museum is open Tuesday through Saturday, 1:00 to 4:30 pm. Admission is $2 for adults, and 50 cents for children under 12.

McCra Scholarship Fund

Donations to the Melanie McCra Scholarship Fund are now being accepted at the Town Hall in Rochester. Melanie was eleven years old and a student at Rochester's Memorial School when she was killed with her parents on Columbus Day weekend in 1993. Her brother Gerard McCra III has been accused of the crimes.

The scholarship has been established to aid a member of the Old Rochester Regional Class of 2000 — of which Melanie would have been a member — to attend college.
